

Testimony of Volney Bryan to the Transportation Committee

Good evening.

My name is Volney Bryan, and I am a member of Mount Aery Baptist Church in Bridgeport.

I care about this issue because it is not just a Latino issue. There are undocumented people in my community in Bridgeport from the Caribbean, Africa and Asia who might have overstayed their visas.

They want to drive with a license. They pay their taxes, and they are willing to take driver's education classes. We as residents of the state will feel safer when they have licenses.

I hope that you pass SB 68 and HB 6037 so that they can drive with a license.
